MEGA-TEK

**THICKER • FULLER
LONGER HAIR**

Mega-Tek makes hair up to 30% stronger so less hair falls out. Used like a conditioner 3 times a week after shampooing, your hair will appear thicker and fuller. Just rub a small amount in your hair and let it stay on for 2 to 5 minutes, then rinse out. Works faster if used with Premier Shampoo. Chemotherapy patients really like this product. It is also used by people who are experiencing hair loss due to medications. Mega-Tek will make your fingernails up to 30% stronger. Apply a little on your cuticle daily and you will have finger nails like you have never seen before. It can also be used as a super-moisturizer for dry, calloused hands.
